Dear Jason,

On behalf of Haven House Children's Hospice, I would like to say a big thank you for choosing us as the beneficiary from the EPIC Golf Society event and the generous donation of £6000. It was a fabulous event and we were honoured that you chose Haven House to benefit. Please treat this letter as your official receipt.

Your support means we can provide a range of services to seriously ill children and their families to support them through the most difficult circumstances imaginable. Our services are vital, and your donation helps more children access these services either at the hospice or in their family home.

I've attached our recent newsletter which will highlight the families that we are currently looking after; on behalf of our families, thank you for the amazing support.

I look forward to hopefully working with you again and if there are future opportunities, it would be amazing if you would consider Haven House. I'd also be delighted to show you around our hospice if you'd be interested.

Warm regards

Kate
